## Smart Practical Test Training Information

Thank you for your interest in Smart Rider Training...

Smart Practical Test Training Courses are conducted from Miles KingSport, Witham, Hull, HU9 1AT

Commencing at 9-30am each morning. If you arrive early, please make your way into the showroom where there is a hot drinks machine.

Miles Kingsport is ideally situated, only minutes away from Hull's new purpose-built DSA Test Centre on Clough Road, Hull.

### Please ensure you have with you-

- Suitable clothing and sensible footwear.  
(Consider current weather conditions, i.e. rain, severe cold)
- Ideally your own safety helmet and gloves, if not we can provide them, or you may purchase anything you require using your Miles KingSport Discount Voucher.

### Important

If you did not complete your CBT with Smart, you must inform us of your Driver Number or Theory and Hazard Perception Test Certificate Number at least 5 working days prior to your Practical Test.

*(Failure to provide this information will result in the Test being cancelled and the fee lost)*

### You must have the following documents with you on Test Day

- Valid Driving Licence (Photo Card and Counterpart if 'new style' Licence)
- Valid Passport (If 'old style' paper Licence)
- Valid CBT Certificate
- Valid Theory and Hazard Perception Test Certificate

*(Failure to produce these will result in the Test being terminated and the fee lost)*

Should you require further advice or information regarding any aspect of your rider training, please do not hesitate to contact us.
